

Your health care information is always with you

With your digital ID card

Easy access to your health care benefits is important. That's why your Anthem plan provides you with a digital ID card - to be sure you have the right plan information with you when you need care.

Your digital ID card is available right away

To access your ID card:

2. Once you're logged in, check to make sure your ID card preference is set to digital.

Download your card to your mobile device:

If there's a weak internet connection you'll be prepared. You can:

- Print a copy of your card anytime.
- Email or fax it from your computer or mobile device.
- Show it to your doctor from your smartphone. Your digital ID card is always there and works just like a printed ID card.
