SAIN Provider Guide

Purpose: This guide is designed to help you navigate the SAIN Provider tool to locate in-network healthcare providers.

Step-by-Step Instructions:

1. **Access the SAIN Provider Tool**

    - Click on the **SAIN Provider Finder** button to launch the tool.

2. **Choose Basic Search as Guest**

    - Once you're in the SAIN Provider tool, you'll be presented with different search options.

    - Select the **Basic Search as Guest** option. This option allows you to search without needing to create an account or log in.

3. **Select Your Medical Plan or Network**

    - From the first drop-down menu select **Medical Plan or Network**, you'll see several options.

4. **Select Your State**

    - In the second drop-down menu, **State where the plan or network is offered**, select your current state of residence or the state where you are seeking care.

    - For instance, if you are looking for providers in California, select **California** from the list.

5. **Select How You Get Your Health Insurance**

   - From the **How you get Health Insurance** drop-down, select **Medical (Student Health)**. This ensures that your search is filtered to show providers within the student health network.

6. **Select the Provider Network**

   - In the next drop-down menu, choose **Blue Cross PPO (Prudent Buyer) – Student Health**. This option applies to students who are enrolled in a Blue Cross student health insurance plan.

   - Make sure you've selected the correct network, as it determines which healthcare providers will be covered under your plan.

7. **View Results**

   - Click **Search** or **Find Providers** to generate a list of in-network providers within your selected state.

   - You can further filter results by specialty, location, or other preferences once the provider list is displayed.
