

Your Healthcare, Your Way – Anytime, Anywhere

Whether you're dealing with a sudden illness, stress, or just need to connect with someone, Opyn gives you quick and easy access to virtual medical and mental health care. No long waits, no hassle—just support when you need it.

24/7 Urgent Care

Get fast, on-demand medical care for common health issues like sore throats, sinus infections, allergies, fevers, stomach pain, rashes, and more.

Behavioral Health Services
Book sessions with licensed therapists, psychologists, and psychiatrists for anxiety, academic stress, depression, and more.

Peer to Peer Support

Connect with certified peer specialists with lived experience for valuable guidance and connection.

24/7 Clinical Crisis Support

If you're feeling overwhelmed, anxious, or in crisis, talk to a licensed professional anytime, day or night

Ensuring you get the right care, right away

- ▶ Thousands of licensed providers, 50-state coverage, and multilingual services
- ▶ Completely private and discrete appointments
- ▶ Delivers reliable and quality on-demand care with flexible access points

Licensed healthcare providers provide clinical services through medical practices affiliated with Opyn Health and other network providers. Additional or different telehealth requirements may be applicable in certain states; see www.opynhealth.com for full terms and conditions.

How to Schedule a Consultation:

Login

Go to live.opynhealth.com, login to your account, and update your Electronic Health Record (EHR).

Schedule

Request a consultation online or call 1.866.668.6272. A care coordinator will contact you for BH scheduling, and UC appointments will be confirmed directly.

Consult

You'll speak with a provider via phone or video for a consultation and treatment plan. If needed, prescriptions will be sent to your pharmacy, and follow-up appointments can be scheduled.
